## 2006 – 2007 BOOSTER CLUB MEMBERSHIP FORM

The White Knoll Band Booster Club is a non-profit organization supporting the students, directors, and band program of the White Knoll Bands. The Band Boosters encourage you to become an active booster club member getting involved in as many band functions, fund-raisers, and committee activities as your schedule allows. Your involvement is important, and will benefit both the White Knoll Band programs and the students active in those programs.

Family members who donate \$50 or more are recognized as Family/Patrons (see below).

**\$50 Family/Patron Membership:** for parents and/or guardians of current band students. Pay the patron dues of \$50, have voting privileges and may hold office. Patrons are recognized in every band publication. \$35 if you are on the “prepay fee method” mentioned above.

**\$15 Alumni Membership:** for all interested band alumni who do not have students currently in the band. Individual members pay annual dues of \$15, but do not have voting privileges and may not hold office. Individual members who donate \$50 or more are recognized as Patrons (See Below).

**\$50 Patron:** for business partners and community friends, Patrons pay annual dues of \$50 (minimum) and may attend any club meeting or activity, but do not have voting privileges and may not hold office (unless qualified as a Family or Individual Member).
