## 2008-2009 BAND HOT LINE

The Communications Committee of the Band Booster Club has formed a Band Hot Line for the White Knoll High School Band Parents to use to get answers to their questions or help them with any problems they may be having. This is new this school year and we hope it will help our band parents. Please contact the applicable person below, depending on the first letter of your child's last name. These are some veteran band parents that should be able to answer your questions right away or if need be, find out the answers and get back to you.
