VII. **Band Directors Comments:** Chris Bussell (Mr. Turner at band camp) For away games will take a pep band except for the Lexington game.

We have a shuttle that runs from each middle school to the high school to transport the band students and athletes to practice. If we have practice after

school before a home game we will feed the students. We are very fortunate to have Mr. Turner.

Western Carolina is still not decided – we have an

early call time and will not have a good experience if we can not go early. 9th grade students missed Pack Prowl – will have upper classmen show them

around the school. Thank you for all your help at band camp.

VIII. Next meeting is September 8th. Meeting adjourned.
